

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council

FROM: City Manager

MEETING DATE: October 4, 1989

AGENDA TITLE: Traffic Resolution Amendment - Modify Existing Parking Restrictions at Washington Elementary School (833 West Lockeford Street)

RECOMMENDED ACTION: That the City Council amend the Traffic Resolution #87-163 to approve the relocation of existing passenger loading and the relocation/modification of the existing bus zone at Washington School.

BACKGROUND INFORMATION: The Public Works Department has received a request from Washington School Principal Frank Garcia to reduce traffic congestion created when students arrive and depart from school. Mr. Garcia requested the bus zone be relocated at the eastern end of the turnout. Staff agrees this would ease the congestion and improve the visibility for the crossing guard and students. Currently, the bus zone is adjacent to the crosswalks and it is difficult to see the motorists. The parents usually arrive before the buses which also makes it difficult for the buses to park. The bus zone will be signed for bus use only on school days between the hours of 7 a.m. to 4 p.m. and allow unrestricted parking at all other times. This zone has the advantage of providing additional parking during non-school hours for residents and other school activities such as PTA meetings and open house sessions.

The City's policy is to charge the District for modifications made to existing markings. We notified the District and they agreed to pay the cost of the modification which is \$728.40.

For the reasons indicated, staff recommends approval of this request.
